

THE AIR DOCTORS PRESENTS

Precision Home Performance

The Air Doctors are not only industry leading HVACR gurus. We double as Home Performance professionals. A certified Energy Auditor evaluates your home or business and performs testing to see if there are any improvements that can reduce energy consumption and may save you some cash. The service is also good for home inspections that may be required for real estate sales.

THE INSPECTION TARGETS THESE KEY AREAS

Health and Safety of the Occupants and the building.
Durability of the building materials.
Energy Efficiency

THE EVALUATION INCLUDES

Exterior Inspection ▪ Interior Inspection ▪ Combustion Testing
Carbon Monoxide Testing ▪ Blower Door Testing ▪ Infrared Camera Inspection
Energy Evaluation
